## MISSIONARY OF THE MONTH

*Terry & Gloria McClure*  
**PALAU**

The World Baptist Fellowship Mission Committee approved Terry and Gloria as missionaries to the Fiji Islands in 1988. Later, when it became impossible to enter that field, they took their mission field to the West Indies. After nearly 12 years in Jamaica, God has brought them back to the Pacific, where the McClures are currently serving in Micronesia, in the island nation of the Republic of the island of Palau. Terry was raised on the mission field with his parents, David and Dottie McClure. Terry and Gloria have three sons: Andrew, Tony, and Joshua. As church planting missionaries returning home from a medical furlough, the McClures enjoy sharing God's wonderful blessing in starting the very first Baptist church in Palau. Terry leads an online Bible institute that has him waking up at 3am every Tuesday and Thursday to teach Bible classes to students from three different islands in Micronesia. The McClures ask for prayers for the work in Micronesia and spreading the good news of God! Pray as they both are battling health issues. The McClures, thank you very much for your faithful prayers and support that diligently help make known God's salvation in the islands and help disciple faithful Christians.
