MISSIONARIES OF THE MONTH *Matt & Flor Patton* DOMINICAN REPUBLIC

On July 5, 2002, the Pattons were married in Mexico. In August, that same year, they were approved by WBFM and have since served as missionaries in the Dominican Republic. They have three sons: Andrew, Steven, and Jonathan. Their church plant, First Baptist Church in Vista Catalina, continues to thrive with growth in membership and visitors. This has created numerous opportunities for sharing the gospel with the people in the DR. The Children's AWANA program is doing well, and the Youth Department just completed a summer minicamp activity. The Pattons feel privileged to serve in the DR and are grateful for the experiences and fruits of their labor, and the people who have been a blessing in their lives. They express their gratitude for the financial support and prayers extended to them.
